

Sunray 480

Portable Message Sign Series

ABOUT OUR MESSAGE SIGN

The Sunray 480 is a character matrix manual lift sign capable of displaying 3 lines of 15" high characters through the color touch screen.

Message scheduling allows you to select the day, week and time that chosen messages should display on your sign. The mid-size sign fits tight spaces but has excellent legibility.

Add FleetFinder and you can visually locate your fleet of signs and change messages from almost anywhere.

Features

- ✓ AllInGaP LED technology
- ✓ Numerous pre-programmed messages, MUTCD messages, and operator-created messages
- ✓ Environmentally friendly and cost effective
- ✓ Reliable and easy to operate
- ✓ Meet or exceed all state and federal highway MUTCD traffic safety specifications
